

ABOUT TSL VANGUARD

The company is a family business, started in 1968 by brothers John & Alan Liversidge trading as Liversidge Brothers. The company changed its name in 1982 to TSL Vanguard Vehicle Services Ltd due to the various acquisitions of other companies.

TSL Vanguard has depots in Leeds & Rotherham and specialises in transport operations including general transport, abnormal loads, plant & machinery and trailer hire.

The company is now run and managed by the second generation of the family:

Ian Liversidge - Transport Manager
Carl Liversidge - Trailer Hire
Mark Liversidge - Fleet Engineer
Paula Murray - Accounts.
Stephen Wilson - Assistant Transport Manager

WHY TSL VANGUARD

WHAT WE DO

TSL is an established Yorkshire based company with depots in Leeds and Rotherham, supplying warehousing, distribution and general haulage to various industries and also specialist vehicles and trailers dealing with construction, engineering and shipping industries.

WHY CHOOSE US

All our drivers are fully experienced and trained in distribution, store delivery and the movement of contractors' plant and engineering equipment. They are also ADR, IPAF (access equipment), Working at Height and Manual Handling certified.

All vehicles are fitted with mobile telephones and the latest satellite navigation for instant tracking. Lorry cranes to CITB standard plus.

OUR FLEET

OUR FLEET

We operate a fleet of vehicles consisting of:

- Articulated and rigid vehicles with curtain sided euroline and double deck trailers, some with Moffett Mounty fork truck kits
